"Not your typical golf tournament", is the best way to explain the East Farmington Volunteer Fire Department Annual Golf Outing. It is a day of fun and relaxation, and an opportunity to support those men and women that put their lives on the line day in and day out, to ensure the protection of your life and property.

In its 19th year, the EFVFD Annual Golf Outing is a fundraiser that is designed to help us raise funds for the department, and also allows us the opportunity to meet families, friends and businesses in the community that make the Town of Farmington so great.

As Firefighters and EMT's we are on call 24/7/365. We attend rigorous training at the state and local level - fire, medical, hazardous material and terrorism training, just to name a few.

We thank and welcome the support of the community in assisting our efforts to provide these services at a reasonable cost.

We look forward to your participation, as a sponsor and/or as a golfer, in this year's outing to be held on Friday, July 17, 2009.

Thank you,
Graham Eyres & John Neves
